Getting More People Involved in the ANA - Suggestions:

- Put out a notice of upcoming ANA meetings and events to the PTA at the high school or neighborhood elementary schools
- Petition the schools to help out with the cleanup events
- Appoint an ANA Membership Chair to advertise events and go after leads to encourage greater membership.
- Reward system for meeting attendance such as a raffle or a giveaway.
- Better define organization roles and come up with “job descriptions” so that people can latch onto particular items.
- Host a free community movie/movie series at the Admiral Theater.
- Mystery or celebrity guest at meetings.
- Need to have 10-20 more people involved with the ANA

Meeting adjourned at 9pm.
